CONSTRUCTION METER APPLICATION

2836 McCray Street
Bakersfield, California 93308

P.O. Box 5638
(661) 399-5516

DATE: _____ **SERIAL #** _____

A deposit of \$1,500.00 is required prior to setting of a construction meter.
In the event the meter is damaged or stolen, all or part of the deposit will be forfeited to pay for repairs or replacement.

Metered Rate: \$50.00 meter setting charge
 \$152.50 monthly meter standby charge
 \$ 2.75 per thousand gallons usage
 \$2.06 per one hundred cubic feet

Optional Flat Rate: \$50.00 per day from unmetered fire hydrant

Any unauthorized water use from a hydrant with a meter by the applicant/business or affiliated party, will be the responsibility of the applicant/business. Any unauthorized water use from an unmetered hydrant is deemed water theft and are subject to penalties in the amount up to \$500.00 per occurrence.

Billing is done monthly as construction meters are read. Applicant is to notify the Company if meter is damaged, needing moved to another hydrant location and/or needing picked up when the job is done.

When meter is returned, the final read will determine the final billing and will either be deducted from the deposit, in which the remaining will be refunded. If a balance is due after deposit is used, the final bill will be mailed and is due upon receipt.
