CONSTRUCTION METER
APPLICATION**

2836 McCray Street
Bakersfield, California 93308

P.O. Box 5638
(661) 399-5516

DATE: _____

A deposit of \$3,575.00 (\$3,500.00 deposit and \$75.00 meter set fee) is required prior to setting of a construction meter. In the event the meter is damaged or stolen, all or part of the deposit will be forfeited to pay for repairs or replacement.

Metered Rate: \$75.00 meter setting charge
 \$167.75 monthly meter standby charge
 \$3.25 per thousand gallons usage
 \$2.37 per one hundred cubic feet

Any water used from a hydrant with a meter by the applicant/business or affiliated party, will be the responsibility of the applicant/business. Water used from an unmetered hydrant is deemed theft of a public utility and is subject to a Company imposed penalty of up to \$500.00 per occurrence.

Billings are sent the end of each month. Applicant is to notify the Company if meter is damaged, needs moved to another location or when meter is no longer in use.

Construction meters are for short term use of up to 6 months. Hydrant meters will be pulled 6 months from date meter is set unless an extension is approved by Oildale Mutual prior to end of 6 months.

Deposit will be refunded after meter is returned and final billing has been paid in full.
